

Our Mission

The Laramie County Weed & Pest Control District wants to continue to provide and strengthen the resources available to all land managers. These programs aim to protect the investments of our customers and improve the health/quality of rangelands within Laramie County.

Available Program Information for Laramie County Residents

Special Management

Special management provides managers more cost effective options for control of high priority species.

- ✓ Treatment of Leafy Spurge, Dalmatian Toadflax & Spotted/ Diffuse Knapweed **Only**
- ✓ Laramie County Residents
- ✓ More Assistance Than Our Regular Cost Share
 - 100% Chemical Cost Coverage When Purchased From Us
 - Partial Labor & Chemical Reimbursement Through Commercial Applicators
 - 5-Year Program

Cheatgrass Mapping

New mapping software will allow for more effective control of Cheatgrass in Laramie County. We would appreciate it if you allowed us to monitor your property as well!

- ✓ Monitor Treatment Areas Frequently With Ease
- ✓ Ability to Alert Leaseholders of High Risk Areas
- ✓ Allow for More Comprehensive Control Of This Invasive/Aggressive Species

Cost Share Program

Our cost share program provides assistance to ALL Laramie County residents in order to encourage the treatment and control of noxious species that degrade the natural ecosystem and pose risks to native plant species, wildlife, livestock and more.

- ✓ Laramie County Residents
- ✓ Receive 80% Cost Share on Select Chemicals for the control of State & County Designated Noxious Weeds
- ✓ Turn In Paid Receipts From Custom Applicators For Reimbursement
