It is a violation of Federal and State Law for a non-certified applicator to purchase or use Restricted Use Pesticides such as Tordon, Rozol prairie dog bait, etc.

To assist you in this matter, the Laramie County Weed & Pest is conducting a private applicator training class that will allow you to obtain or renew your license.

The class will be held at the Archer Event Center on February 28, 2023, from 1 p.m. to 5 p.m. and is free of charge. For more information, call the Pine Bluffs office at (307) 245-3213.

Private applicator licenses are for spraying your own property and are not for a commercial spraying business.

Applications will be submitted to the WY Dept. of Ag for approval and licenses are issued later after the course is completed.
